

Transition to Fountains CE School

Summer 2021

Week beginning 7th June

Welcome to Fountains letters sent to all new starters – includes Evidence me consent. Your child's pre school setting plays an important role in the successful transition to a new school and we value their support greatly. Miss Wray will be meeting with preschools to share information over the coming weeks. Please let school know which setting your child currently attends.

Week beginning 14th June

Miss Wray will add a series of PowerPoints to our class pages on the school website that will share one element of the information you need to prepare for starting school. Includes information about school routines, staff, snack & lunch time and what a day in class 1 looks like. At the end of the week there will be a video tour of our classroom environment from the current class 1 children to all our new children.

Week beginning 21st June

Follow up optional Q&A via Teams for new starter parents. If you would like to join this meeting, please email – class1@gfschools.co.uk

Week beginning 28th June

Miss Wray will endeavour to visit your child in their pre-school. Your child will receive an 'I met my teacher today' certificate after this meeting has taken place and will upload our notes to their Evidence me account.

Week beginning 5th July – 16th July

If Covid restrictions allow your child will be invited into school for some 'Come and Play' visits. More information will follow.

Week beginning 12th July

In order to get to know your child and their family, you will be invited to a meeting either at school or at your home. This visit is relaxed and informal, allowing us to get to know each other a little better. Any questions are answered, concerns eased, and every effort is made to ensure both child and parent are confident and happy to start school in September.

We look forward to welcoming you into the Fountains family 😊
