

Dear Parents,

I would like to collect some loose parts and den poles to develop outdoor play as part of the children's Forest School sessions. I am looking for the following items:

- 6-8 Log rounds to make a tool area
- Den poles 5-6 feet long including some y shape sticks (If you have Hazel trees I can come and cut some)

Also the following items that we call 'loose parts' for imaginary play and building:

- Crates –milk, bread, shopping crates
- Planks of wood
- Cable reels
- Pipes, guttering and tubes
- Tyres and steering wheels

If you are able to supply any of the above items please let school know. I can collect them or they can be dropped off at school.

We are also looking for Parent Helpers to come and assist during Forest School sessions. This term it will be Class 3 (Year 3 & Year 4) and sessions will take place on a Monday afternoon, 1-3.30pm. If you would like to come along and help, please speak with Mrs Mallinson in the school office.

Thank you for your support

Rachel Goss
