

S is for **SAFE!**

**Make sure you stay safe online by not giving strangers your personal information- like where you live, what your email is or phone number, what school you go to, what your full name is- as well as your family's and friends because you could get them into danger too.**

M is for **MEET!**

**Remember to NEVER meet strangers you have met online alone make sure you bring an adult with you. **They might not be who the say they are!****

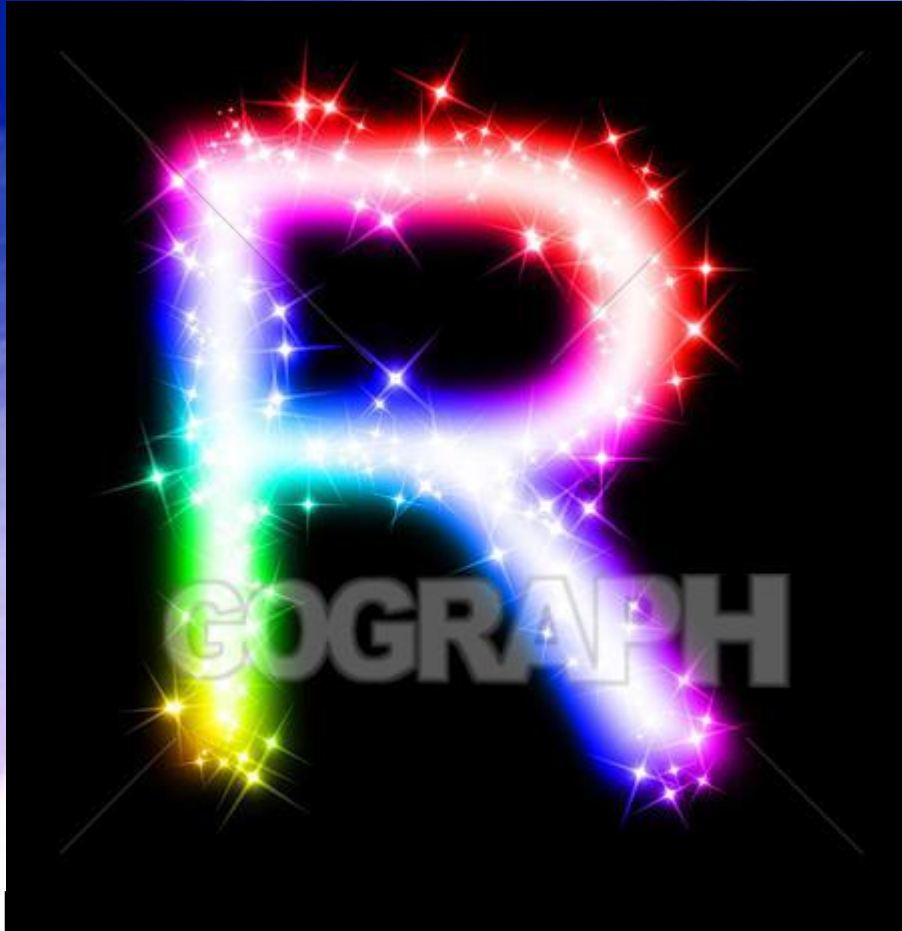

## A is for **ACCEPTING!**

Do not open emails from people you don't now. They could contain viruses. If you get a strange email from a friend and you think they might have a virus make sure you let people know.

## R is for RELIABLE

don't believe everything you read online, check your facts. Did you read it on a reliable website like the BBC? Are other websites saying the same thing.

**T is for TELL**

**If you have an online safety problem make sure you tell someone . If someone bullies you online make sure to report them and tell a trusted adult or guardian.**
