

Dear Parents

We, as a school, are part of the Harrogate School Sports Partnership. They have just launched a virtual Primary Leadership Introductory Award. This is aimed at Year 5 and 6 children who are interested in participating in this award. Following on from this award they will offer further leadership awards such as a football leaders and refereeing award, Netball Leaders, competition leaders and Team Managers award to name a few.

This award is delivered virtually via their website. Pupils can work through this award at their own pace and they will support them every step of the way. You can view the outline of the award here: <https://www.harrogatessp.com/harrogate-primary-leadership-academy/>

This award is all about developing the children's leadership skills and they don't have to be good at sport to complete it.

If your child would like to take part in this, this is what you need to do:

1. Go to the Primary Leadership Academy page: Link - <https://www.harrogatessp.com/harrogate-primary-leadership-academy/> read through and see if your child would like to do the award.
2. Click on the 'Sign up' tab and complete the short form for your child.
3. Once you have submitted the form, you will receive an email giving you the password for the first module.
4. There are 7 modules:
 1. Leader
 2. Participants
 3. Area
 4. Communication
 5. Equipment
 6. Enjoyment & Safety
 7. Practical
5. Each module has a short 3 – 6 minute video explaining that module along with a worksheet and a couple of tasks for them to complete, once finished they submit their task sheet via the website
6. Once they have submitted that module of learning, they will be sent the next password for the next module.

I hope this is of interest to some of you and your children. If you would like any more information, then please let me know.

Kind regards

Mrs K Barker
