Dear Parents,

On Wednesday 26th June our School Council Representatives are taking part in a No Plastic Fantastic Day at Fountains Abbey. The event is designed to celebrate the work we have been doing in our schools to reduce our impact on the environment and educate the general public on how they can help by recycling. Children from each school will be performing, sharing their knowledge or creating items linked to recycling and reducing our plastic waste. Each child who is taking part gets 2 free adult tickets to allow parents to attend the event as well, please let us know on the form below if you would like to attend.

The children will arrive at Fountains Abbey at 12 o'clock and will need a packed lunch. They will return to school before the end of the school day or they can leave with a parent if you are coming to the event. As they are representing our school the children need to be dressed in their school uniform. There is no cost for this activity.

If you give consent for your child to go please return the attached form.
