8th February 2019

Dear Parents/Carers,

Following an incident which has occurred this week, I am writing to inform you that the Fountains School car park is for staff and blue badge holders only.

Buses dropping off and picking up children at the beginning and end of the day come into the school car park. To ensure that it is safe for all our children, it is essential that these vehicles can move around the turning circle without any obstructions.

I appreciate that parking is also limited in the village but I have a duty of care to the children on site. Most days there are only enough parking bays for the staff of the school. Fountains C of E Primary School prioritises the safeguarding of your children and I am asking for your support in helping us to keep this a safe part of school.

Kind regards,

Pam Acheson
Executive Headteacher
