Dear Parents,

Re: School Transport

We currently have a number of families who make use of the school buses to transport their children to and from school. We manage this by having a register of all the children who use this service each day. We appreciate that occasionally this may need to change due to your personal circumstances but would ask that you inform the office directly as soon as possible so that we can amend the registers. We have also been informed by NYCC Integrated Passenger Transport that the bus companies are only allowed to accept children to travel on the bus if they have been issued with a travel permit.

We would appreciate your support with this to ensure that we have accurate records when organising the children for collection at the end of the day.

Kind regards,

Mrs Pam Acheson
Headteacher
