RED KITE
TEACHER TRAINING

Train Where You Live

Our 'Train Where You Live' concept is aimed at bringing teacher training to you, wherever you live in our region.

Our partnerships with providers across the region mean that wherever you train, you'll be part of the same Red Kite programme and teacher training community. We are now working with Yorkshire Inclusive TSA, Swaledale Alliance, North Star TSA, HART of Yorkshire SCITT and All Saints to deliver our programme on an even bigger scale.

With our wide range of courses, which now include Part-Time and SEND options, there's something for everyone regardless of where you live.

How will you make a difference?

There are lots of reasons people train to teach, and lots of decisions to make about which route suits you. What sets Red Kite apart is the diversity of our offering, and the amount of choice our trainees have in their programmes.

If you want to train in an outstanding, high achieving school, that's great - we've got plenty. If you want to make a difference to under-privileged children in lower-income areas, that's great too - we can secure incredible placements in these kinds of schools as well.

Whatever you want from your training programme, whether it's in a city, urban or rural school, we can make it happen. With Red Kite Teacher Training, you can choose not only how you make a difference, but where you make a difference too.

Supporting you

Training to teach can be daunting, but with Red Kite it doesn't have to be. You'll have the support of our dedicated Trainee Progress Leaders (TPLs), who are with you every step of the way to make sure you get the support you need. You won't be put in front of a class until you're ready and we'll always make sure there's a qualified teacher in the classroom to support you.

Our TPLs will...

- help you get your first teaching job
- prepare you for interviews
- work with your placement schools to tailor your training for your individual needs

“What's special about Red Kite is how they tailor the training to suit you.

What I've learnt makes me unrecognisable from the person I was before, in a good way.

”
Peter Woolley, NQT 2020-21
