10k Run

Reminder from organiser Mark Reed – he will be stepping down after this year’s event. He will be around to answer any questions the new team may have in 2020.

David Wood will be stepping down in his responsibility for the signs and carparking for the event and Sarah Roberts will also be stepping down as marshal director after this year’s event – a huge thank you to both David and Sarah for taking on these responsibilities and your commitment to these roles.

It has been suggested that a 10k sub committee to should be held to look into replacing these roles. This will be discussed at a later date.
