Thank you to everyone who helped with the Hog Roast on Friday it was a great night! A special mention to all the children who performed on the night, past and present pupils, it was lovely to see them sharing their talents.

Thank you to Tim and Jessica Jarman who very generously bought each of the children the ice lolly that they had after sports day.

It has been a great year, the children have done extremely well we have had lots of lovely trips including trips to London, York and Fountains Abbey as well as visitors and enriching activities including our 'arts week'. The children have taken part in several sporting events winning many events including the football and gymnastics.

I would just like to take this opportunity to say thank you for all my lovely gifts and the tea party with the children it was a real delight. I am extremely proud of all the children for their hard work and effort and it has been a pleasure to work with such a dedicated hard working staff team. Thank you to all the community for your support and help it really does make a difference. I know that the school will continue to thrive and wish everyone a lovely summer.
