## Forest School

This week in Forest School, Year 1 and 2 continued making bird feeders, hunting for bugs, exploring bird diets and thinking about why it is important to feed the birds in the colder months. The children worked in groups to make bread dough, hid a little bit of chocolate inside, and cooked their bread on the campfire. During their exploring time they were busy making shelters, relaxing in the hammocks and being creative in the mud kitchen.

## Class 1 & 2's trip to Harlow Carr

The children in Class 1 and 2 had a wonderful visit to Harlow Carr on Wednesday, the sun was shining as we used our senses to explore the gardens. We carefully searched our environment to find all the items on our I Spy sheet. During our workshop we collected autumn jewels and leaves to make crowns. We also used our sense of smell to help create a perfume for Onion the elf. We would like to say a big thank you to Mrs Charlton, Mrs Harrison and Miss Firth for being our parent helpers, without you our trip wouldn't have been able to go ahead.

## Infant agility on 05.11.18- Class 2

The children in Class 2 will be participating in an infant agility event at Outwood Academy, Ripon on the first day back after half term. They will need to ensure that they have their PE kits and trainers in school. They will be accompanied by school staff and will be back by the end of the school day.
