

Teaching and Learning

Forest Schools

This week the children carried on developing their knot tying and lashing skills to make interesting shapes and weapons. To celebrate Chinese New Year, we cooked noodles on the campfire which were very tasty.

Swaledale Mountain Rescue

Yesterday afternoon Class 4 were able to meet a member of the Swaledale Mountain Rescue team who kindly came in to share their experiences and responsibilities with the children. They asked some thoughtful questions and enjoyed listening to what he had to say.

Community

Thank you for your support with the crisp packet appeal. Keep up the great work!

The school are pleased to confirm that we are supporting Grantley Village Hall who are hosting an imaginative new take on a favourite fairy tale, to deliver a magical and relatable retelling of Hansel and Gretel. Told from the children's perspective, two young heroes brave a big journey and find themselves lost in London, overwhelmed by the sights, sounds and smells. Separated from their kind guardian, the clever duo must use their smarts and determination to outwit the adults and find a way for their little modern family to stay together in a show where kids are number one! Can't wait until the performance? Click the link to see a video of what to expect: <https://bit.ly/2RuVn0u>
Tickets are available now www.ruralarts.org or gvh@live.co.uk or 01765 620235.

THE CLASSIC FAIRY TALE GETS A DANCE MAKEOVER

Our two heroes find themselves lost in London, overwhelmed by the sights, sounds and smells. Together the brave duo must outwit the adults to find their way back to their family in a show where kids are number one!

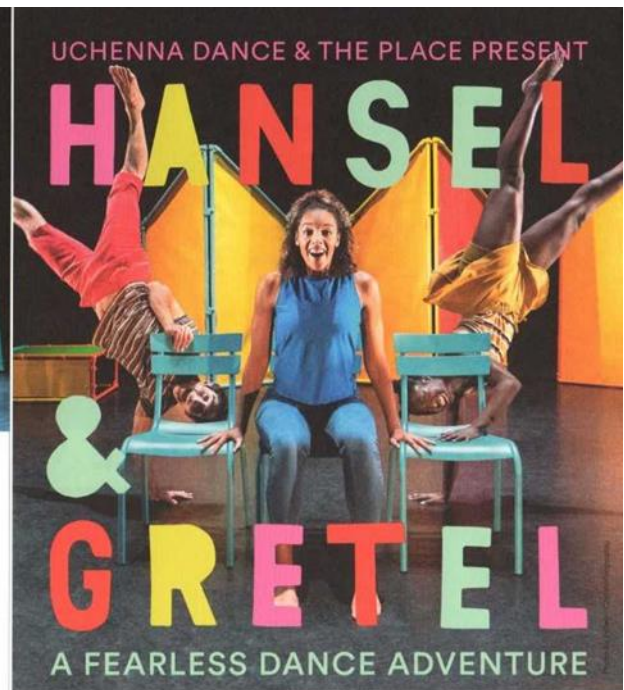

Vicki Igbokwe, choreographer and founder of Uchenna Dance (*The Head Wrap Diaries*), puts her unique twist on the classic story, weaving New York club styles of House, Waacking and Vogue, with African and Contemporary Dance in a show that will delight the whole family.

Safety and Wellbeing

PUNCTUALITY AND SAFEGUARDING PROCEDURES

It is very important that all children arrive at school on time. It is part of the daily routine and is also very disruptive for the rest of the class when a child joins the group late. We recognise that parents have a vital role to play and the school aims to work in partnership with parents to achieve good punctuality.

LATE PROCEDURES All adults entering school are requested to sign in so that, in the event of a fire, we know who is in school. Parents arriving with children after 9.00am should report to the office and sign in giving a reason for child's lateness

E-Safety at our School

At Grewelthorpe C of E Primary School, we take children's internet safety very seriously. We believe the internet provides us with a rich and diverse resource, but it must be treated responsibly and with great care.

Children need to learn how to keep safe whilst using the Internet, understand the responsibility of becoming digitally active and how to access help should they need it.

Please find helpful information on the links below.

Sport

On Monday, 14 children from class 2 with coaches Lexi and Ella, went to Outwood Academy for a gymnastics competition. They were put into 3 teams and took part in three events. The children were a little nervous as for some it was their first competition but they performed their routines enthusiastically and showed respect for each other and had a great team spirit. We had a few comments to say how professional they all looked and it was lovely to see how much they enjoyed themselves. A big thank you to Mrs Martin for coaching the children and for Mrs Harrison and the coaches who helped on the day.
