Confirmed that the 10K has been moved to Sunday 18th July 2021.

Reconsideration regarding the proposed Barbeque on Friday 16th July 2021.

Decision made that the event on this date will be a 'Grand Picnic' to launch the 10K. Those attending would bring their own food and drinks but celebrate together on the field. Tickets would be sold to raise money but also to manage numbers for health and safety. Band to be identified to play music and it is hoped that an ice cream van could be arranged.

Discussion about raffle licences.

Head teacher – Pam Acheson

PSHE has now been introduced across the school. The school are grateful to Friends for paying for this fantastic scheme that the children are really enjoying.

The school are planning to work towards the 'Healthy Foods' award.

Collective worship has centred around mindfulness.

10K

Rachel confirmed the date change.

Marshalls are required for the event.

Raffle prizes would be gratefully received.

AOB

Ice cream Friday was proposed for the second Summer half term. Not known at this time whether this would be workable with the Covid restrictions around the playground.

Action – Pam – To check the guidelines.

Agreed that minutes be circulated to all parents via website.

Discussion about the approach to new parents joining the school in September.
